

BUS ROUTE RATES

CITY FIXED ROUTE

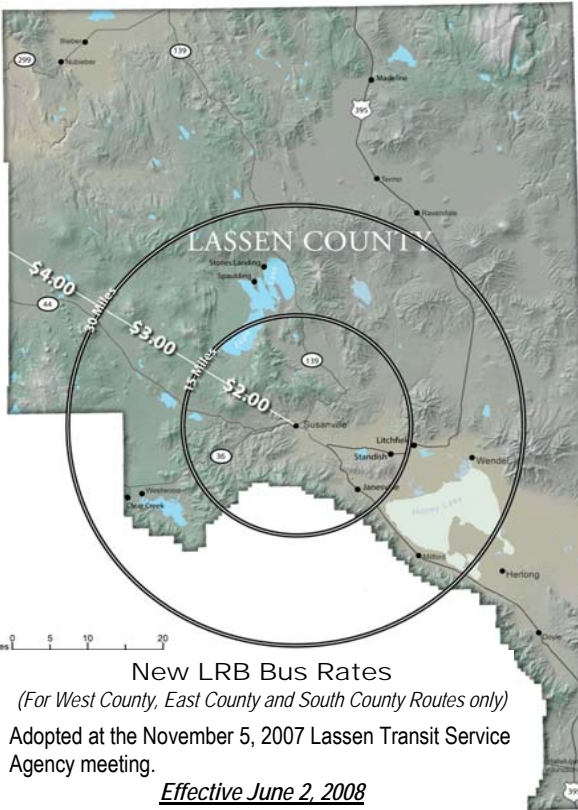

The current rate for the City Fixed Route is \$1.00 per trip for General ridership. For Seniors/Disabled, and Students, the rates are \$.50 per passenger trip. Children 6 years of age and under are free for up to 3 children after that the fee is \$ 0.50 per child.

DIAL-A- RIDE

All Dial-A-Ride passenger trips are set at \$1.75 per trip. The Subsidized Vehicle for Hire Taxi Vouchers are good for Dial-A-Ride service as well. If an attendant or caregiver is necessary to provide assistance their trip would be free of charge.

COMMUTER and FIXED ROUTES

On November 5, 2007 the Lassen Transit Service Agency established the rates for all routes outside the City Fixed Route service area as Zonal Rates. These "Zones" are calculated in 15 mile radius increments from the City of Susanville and the rates are indicated on the drawing below as well as on the individual route maps listed in this Rider's Guide. All senior and/or disabled rates are established at half price of the general rate.

3. **Rural Areas** - "Flag" down the bus by waving your hand at any safe location proceeding in the correct direction along the route. "Flagging" is not available on the South County Commuter runs. Weather conditions may prevent stopping in some areas.

Fixed Routes - You must wait at designated bus Stops or bus shelters for pick ups and drop offs.

4. Have your **EXACT FARE** ready to drop into the fare box. (*Driver DOES NOT carry change.*)
5. When you are about a block from your stop pull the destination cord which is located along each side of the bus. Otherwise inform the driver if you wish another stop. This is available on "Flag Routes" ONLY.

LRB BICYCLE GUIDE

Your safety is important. We would like you to enjoy the bike racks and use them in a safe manner. The following are a few tips to help both you and the Bus Driver.

Each bike rack will hold two bikes. Cyclists are responsible for loading and securing their own bikes.

Have your bike ready to load. Remove water bottles, pumps or any loose items that might fall off when the bus is in motion.

YOU MUST TELL THE BUS DRIVER BEFORE YOU LOAD OR UNLOAD YOUR BICYCLE.

Lassen Rural Bus is not responsible for theft, loss of, or damage to bicycles carried on the system or at bus stops.

LOADING BICYCLES

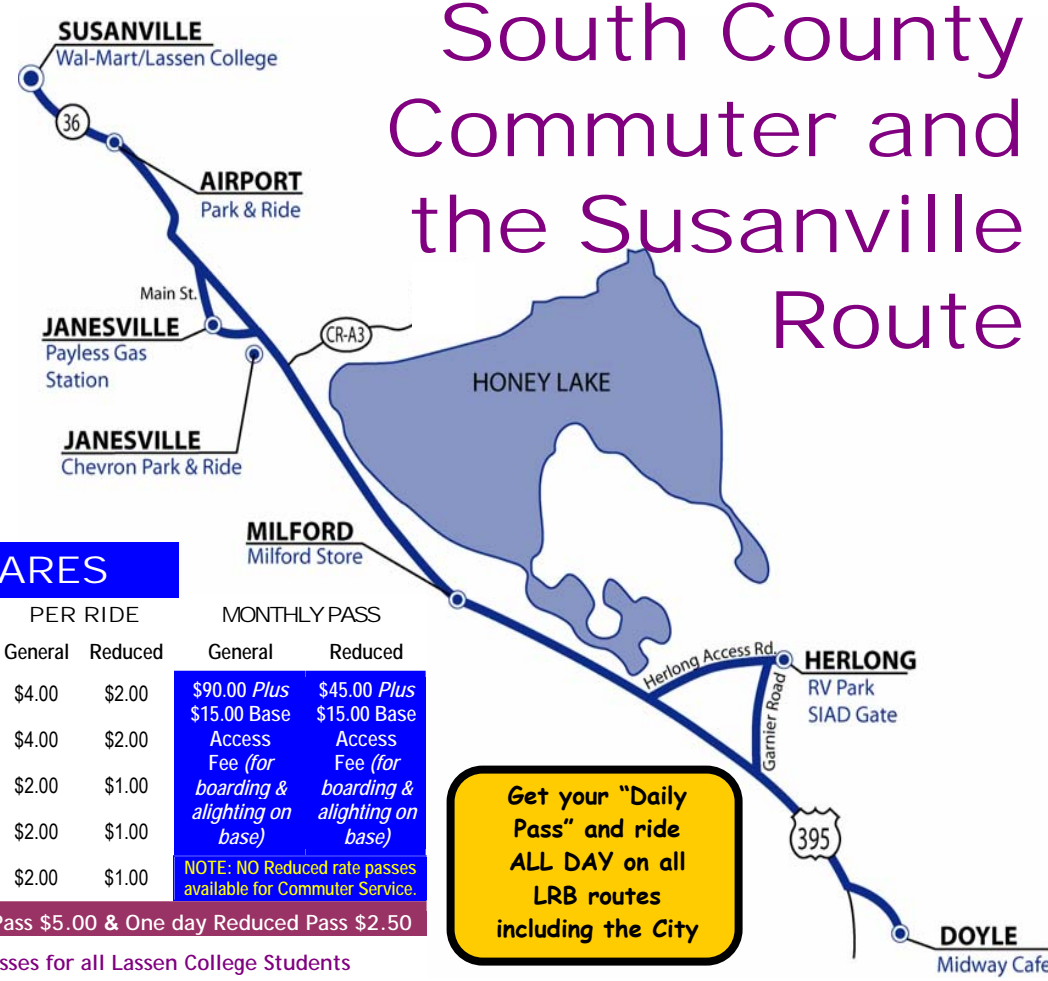

1. **Tell the Bus Driver**
DONT ASSUME THE DRIVER SEES YOU.
2. Load and unload from the curb side only. **Do not step out into traffic.**
3. Pull up on the handle to release fold down bike rack.
4. Lift your bike onto the rack, fitting wheels into the slots. Each slot is labeled for front and rear tires.
5. Raise the spring loaded support arm over the top of the front tire. Make sure the support arm is resting on the tire and not the fender or frame.

UNLOADING BICYCLES

1. **Tell the Bus Driver**..
2. Raise the support arm off the tire. Move the support arm down, out of your way and lift the bike out of the rack.
3. **Refold bike rack** up into the locked position if no other bike is in the rack.
4. **Tell the Bus Driver** when you are done unloading.
